Ordering Tickets/Parking Passes:

- Please fill out the form above completely....please include your email address if you have one.
- Entry fee is \$40 per car in advance. This includes admission to the MG Reunion, 1 car corral pass, a dash plaque and a parade lap each day.
- **The entry fee is per car ONLY – there is no charge for extra guests riding in your car.**
- All tickets/car passes for the Collector Car show need to be ordered by **March 3, 2008**.
- Your entry ticket and parking pass will be mailed to you.

Parade laps:

On Saturday and Sunday, each MG Car Club participant will be allowed to take a tour of the track. Prior to entering the racing surface each driver and all passengers MUST sign a second waiver and release. These may be done before at registration. The parade laps have a speed limit of 45 miles per hour and will be lead by the event pace car. Any participant violating the rules will be removed from the track. The parade laps will be approximate 35 minutes in length (as long as EVERYONE behaves!). **KEEP IN MIND THIS IS A SOUND CONTROLLED EVENT – NO CAR IS ALLOWED ON THE TRACK WHICH EXCEEDS 103 dB.**

Featured race: There will be an MG ONLY race each day. This feature will be the 1st race after the noon time break.

Club Catering: Should your club decide to provide food and beverages for your group, arrangements must be made prior to March 7th.

We are looking forward to your club's participation at this year's event at Mazda Raceway Laguna Seca. Should you have any questions please don't hesitate to get in touch with the HMSA office directly – Email: hmsa@hmsausa.com or 818-249-3515.
